Your wedding should be one of the happiest experiences of your life. We at First Presbyterian Church want to aid you in making it so. At First Presbyterian Church a wedding is a service of worship, a religious celebration whereby the union of a couple is affirmed within the context of their covenantal relationship with God. When two people express their desire for their marriage to be solemnized by a church wedding, the church immediately becomes a part to the wedding and a participant in the formulation of plans affecting the wedding.

Information and Policies:

- Either the church sanctuary, which seats 600, or the Williams Chapel, which seats a maximum of 100, or the Mary Helen Long Garden, with a recommended seating capacity of 50 people (60 maximum), is available for the wedding ceremony and the rehearsal. The date for the wedding should be announced only after arrangements have been made through the church office for use of the appropriate church facilities.

- Only the weddings of church members (membership over 12 months), their children or grandchildren will be performed in the facilities or on the grounds of First Presbyterian Church. Any exception to this must be approved by the Session.

- Either a minister of First Presbyterian or a minister approved by the Head of Staff or Session of First Presbyterian is to officiate at all weddings. If a couple desires that a minister of another church assist in the wedding, the request is properly made to the church office at the time of the reservation. Our church’s officiating minister will extend the invitation.

- If there are to be any attendants, it is necessary to schedule a rehearsal. **Time for all rehearsals is to be set in consultation with the wedding consultant, bride, and minister.** Rehearsals must begin promptly and proceed without delay.

- **One of the church’s wedding consultants is required to direct the rehearsal and the wedding ceremony.** A list of consultants can be found on page 6. Should a professional wedding service, director, or coordinator be hired, it must be understood that the First Presbyterian wedding consultant has complete control over the rehearsal and the ceremony, including any special requests. This includes requests from the professional wedding director, photographer, florist, and any other participants in the wedding. All requests and questions must be directed to the First Presbyterian wedding consultant. You may contact the wedding consultant of your choice from the list provided.

- **Premarital counseling with a couple prior to the wedding ceremony is a requirement** of the Session; the major concern is that the couple be prepared to take their vows meaningfully and with a sense of genuine commitment to each other and to God. As soon as the wedding date has been scheduled, the couple should arrange for the first counseling session with the officiating minister, whether it be a minister of First Presbyterian or an approved minister.

- **Dates requested** will be penciled in but not guaranteed until the Wedding Information Reservation forms (pages 7-8) are received by the church office Administrator. All remaining fees will be due one month prior to the wedding date.

- **Weddings held in the Mary Helen Long Garden must be scheduled to conclude no later than early evening. Because of lighting and safety reasons, there will be no night weddings in the Garden.**

- **Weddings held in the Mary Helen Long Garden may not be scheduled on a date that has been reserved for a wedding ceremony in the Sanctuary.**

- Two weeks prior to placing your final order for your wedding bulletins, a proof copy must be provided to the church office for proofing by the wedding consultant, minister, and Organist-Choirmaster.

General Church Policies:

- **Smoking is NOT permitted in any of the church buildings or on church grounds.**
- **Possession or use of ANY alcoholic beverage is NOT permitted at any time on the premises during the use of the church.** The entire wedding party is to abstain from the use of alcoholic beverages in the hours preceding the
wedding service of worship. Alcoholic beverages may not be brought into the dressing rooms or elsewhere on church premises for use prior to the wedding service by any person.

- Neither birdseed nor rice is to be thrown on or about the property or property surrounding the church.
- No food or drink is allowed in the Williams Chapel or sanctuary at any time, or in the Mary Helen Long Garden at any time other than for a reception that has been scheduled following the ceremony.
- It is the responsibility of the wedding party to notify florist, photographers, coordinators, and guests of the church’s policies.

PLEASE NOTE: Any changes to times originally scheduled or changes in arrangements, etc. that have already been placed on the calendar are to be verified through the church office. It is the responsibility of the wedding party to notify the office administrator regardless of approval by a minister, organist, etc.

DECORATIONS:
A wedding is a form of worship and, when planning decorations for a wedding at First Presbyterian Church, this should be kept in mind. The church has a beautiful sanctuary and thus does not need many decorations.

Rules for decorating the sanctuary are:
- Only fresh flowers and greenery are to be used.
- Nothing shall be placed on the communion table except the cross and candlesticks. Either two (2) or four (4) candlesticks may be used. The church does not allow the unity candle or the use of candelabrums in the sanctuary.
- On either side of the communion table there is a place for one (1) arrangement of flowers. The flower arrangements may not be taller than the cross. These flowers should be placed in the urn on each side of the communion table unless special arrangements are made with the Wedding Consultant. These urns may not be removed from the sanctuary. The urns use a paper Mache disposable container size Round #8. From the bottom of the Round # 8 the height to the top of the cross is 31 inches.
- Decorations shall not be attached to any furniture or walls by pins, tacks, any form of adhesive tape, etc. Rubber bands and ribbons may be used.
- Pew markers for family and special guests are appropriate in the sanctuary. Rubber bands and/or ribbons may be used to attach flowers to the pews. First Presbyterian Church also has beautiful needlepoint pew markers available.
- The sconces on the sidewalls of the sanctuary may also be decorated keeping in mind that no tacks or masking tape may be used to hold the arrangements.
- Flowers may be placed in the narthex on the tables on either side of the doors leading to the sanctuary. The brass containers on each of the tables may be used, but they must not be removed from the sanctuary.
- The florist will be held responsible for any damage done to the walls or furniture of the church by improper use of attaching materials.
- We would appreciate your leaving the sanctuary as clean as possible after decorating.
- If floral arrangements are not to be used in the following Sunday worship service, they should be removed immediately after the wedding, as the sanctuary has to be prepared for the Sunday worship service.

Rules for decorating the chapel are:
- Only fresh flowers and greenery are to be used.
- Nothing shall be placed on the communion table except the cross and two (2) candlesticks. The church does not allow the unity candle or the use of candelabrums in the chapel.
- There is an urn on a plant stand on each side of the chapel in which the flower arrangements should be placed. The urns use a Round #8 paper Mache disposable container. From the bottom of the Round #8 the arrangements should not be taller than 31 inches. These urns may not be removed from the chapel.
- Decorations shall not be attached to any furniture or walls by pins, tacks, any form of adhesive tape, etc. Rubber bands and ribbons may be used.
- Pew markers for family and special guests are appropriate in the chapel. Rubber bands and/or ribbons may be used to attach flowers to the pews. First Presbyterian Church also has beautiful needlepoint pew markers available.
- The florist will be held responsible for any damage done to the walls or furniture of the church by improper use of attaching materials.
- We would appreciate your leaving the chapel as clean as possible after decorating.

Rules for decorating the Mary Helen Long Garden are:
- Chairs and a tent are not provided by the Church and should be rented from TCS Events in Burlington 336-437-0534. Only white garden chairs are to be used, and TCS Events has the white chair available, as well as a tent if desired.
- Floral arrangements may be placed on either side of where the clergy will stand. Because the Garden is sufficiently decorated, there will be no additional decorations or bows on any railing, including those that descend to the lower level. However, a reserved row of white garden chairs (e.g. a “mother’s row” may be marked with fresh flowers or ribbons.
- Garden furnishings may not be moved.
- Additional furnishings (arbors, archways, etc). are not permitted.
- Only fresh flowers are to be used for floral arrangements, row markers and by the wedding couple and attendants.
• All instruments and amplification must be removed from the Garden immediately following the wedding. Rental chair pickup should be scheduled for the next business day following the ceremony. If the church has an event scheduled in the Garden prior to the next business day, then chairs will need to be removed prior to the next business day.

**MUSIC:**

Proper music is integral to the wedding and helps place the wedding in the context of worship, giving meaningful expression to God’s place in the ceremony. Only music, whether vocal or instrumental, written to the glory of God and consistent with the musical standards of First Presbyterian will be performed.

• The Organist-Choirmaster of First Presbyterian Church will play for all weddings in the Sanctuary and the Chapel. A prelude of music for the wedding ceremony may consist of organ, vocal, choral, or instrumental selections, but all music will be planned in consultation with, and approved by, the Organist-Choirmaster. The Organist-Choirmaster must approve the choice of music at least six (6) weeks before the wedding. If additional musicians, such as vocalists or instrumentalists, are desired, the Organist-Choirmaster will gladly make these arrangements. Any fees for additional musicians will be made payable directly to the individual(s). All remaining fees will be due one month prior to the wedding date and made directly to the Organist-Choirmaster.

• Music for the weddings in the Mary Helen Long Garden:
  --Music for weddings in the Mary Helen Long Garden must be live – no recorded music will be permitted.
  --Suggested instruments include harp, strings, brass, woodwinds, and classical guitar. An electronic piano (with a classical piano sound only) may be used. Any other synthesized instrumental sounds may not be used.
  --Music will be consistent with the standards of First Presbyterian Church and all music selections, instruments, and instrumentalists must be approved by the Organist-Choirmaster at least six weeks before the wedding. The Organist-Choirmaster will also oversee and coordinate appropriate placement of instrumentalists, vocalists and any required instrumental amplification. The fee schedule for the Organist/Choirmaster will apply for Garden weddings.

**PHOTOGRAPHS AND VIDEOS:**

First Presbyterian wants to help you in every way possible with the taking of your wedding photographs. However, certain policies and procedures must be followed:

• Only professional photographers are to be used at weddings held at First Presbyterian. Flash photography may NOT be made during the processional, the ceremony, or the recessional. Photographs may be made in the Narthex before the wedding procession begins. Following the ceremony, photographs may be taken in the Sanctuary or Williams Chapel. It is the responsibility of the wedding party to see that no photographs are made by wedding guests during the entire service.

• The photographer must use a camera that will NOT have a clicking of the shutter while taking timed exposures. Cameras must be completely silent and must be set up in the balcony prior to the beginning of the pre-ceremony music (approximately 30 minutes prior to ceremony). Cameras may NOT be moved at any time until after the ceremony ends. Camera operators may NOT move once the wedding party has processed.

• Video cameras must be placed at approved stationary positions in the balcony of the sanctuary and in an obscure location approved by the wedding director for Chapel and Garden weddings. Video cameras may not be moved until after the ceremony.

• The minister officiating the wedding has the right to stop the wedding service at any time should a photographer become distracting or disruptive during the worship service.

• A map of approved camera and video placement, as well as the “First Presbyterian Wedding Photography Contract” will be provided.
